Objektbeschreibung

This spacious new penthouse shines with its open and airy living space of approx. 150 m².

The heart of the floor plan offers conviviality and space for mind and soul: a living-dining-kitchen area with an incredible 55 m², from which you can also access the south-facing balcony. Let the morning sun accompany you into the day in the spacious master bedroom. 2 further rooms are ideal as a study or children's room. The 2 separate bathrooms, one of which is equipped with a shower at ground level and the other with a bathtub, ensure true living comfort. In the utility room you can easily store all the things you don't need every day.

The flat, which is easily accessible by lift, is ideal for couples or families.

Sonstiges

Black Label's international team can offer advice on all stages of property purchase, from the financial benefits of buying property in Germany to the step by step process of acquiring your new home or investment. Our team speaks fluent English, German, French and Mandarin, and works together with a team of English-speaking lawyers, notaries and mortgage brokers in Berlin.

We can provide you with a varied choice of properties to suit your needs. Just send us your search specifications, including:

- Property style
- Budget
- Location
- Investment or own use

For advice on financing your German property purchase, please get in touch with a member of our team. Our independent mortgage broker is able to offer up to 70% to international clients, and our recommended lawyers are at hand to explain the legal process of buying real estate in Germany. Interested in letting your new Berlin property? Black Label offers management packages for both furnished and unfurnished lets, as well as a complete design and furnishing service tailored to your style. Get in touch with us or stop by the office for more information.

All information is provided by the seller. BLP Investments GmbH therefore accepts no liability for the accuracy of the information. In particular, the information on the living space, the usable space and the division of the living/usable space has not been checked by us by means of our own measurement or our own calculation of the living space. The information on the year of construction has not been verified by inspection of the building file.

Location

Characterised by its multitude of world-famous castles, lakes and parklands, Potsdam is a place of great cultural and historical significance. The cosmopolitan metropolis captivates with its unique past and exciting history. Today, the city fascinates with its friendly liveliness and unmistakable flair.

"Am Park" now offers a unique living experience - with direct access to the popular Volkspark Potsdam, the project enables a grandiose centre of life in the middle of greenery and thus guarantees a high feel-good factor. Originally created for the Federal Horticultural Show, the well-known Volkspark delights with its variety of impressive trees and beautiful plants.

With the renowned Potsdam University of Applied Sciences, the Leonardo da Vinci School and also the Bornstedter Feld II primary school, first-class educational institutions can be found in the immediate vicinity of the project. Shopping facilities for daily needs are also within walking distance in just a few minutes. The project is excellently connected to public transport by a frequently used tram line. The restored old town can be reached in 10 minutes, the main railway station as a transport hub in only 20 minutes.
